Remarks: Bob: The attached "issue" was reviewed today with Colonel White. It will be part of a package provided in the next day or so to the DDCI and upon which we will brief the Director prior to developing Program Memoranda for the Bureau of the Budget. Colonel White has asked that you go over this with Tom Karamessines and provide your joint position on the matter by the end of the week. He wants to be certain that long term considerations are properly weighed in consideration of any of the alternatives suggested.
